

PROFESSIONAL SPECIFICATION | INDICATIVE TECHNICAL DATA

Green Alps Marble

Natural-stone reference selected by Marbre Import for architectural, interior and bespoke fabrication projects. Colour, veining and technical performance must be confirmed against the actual lot offered.

ORIGIN	Italy
STONE FAMILY	Natural marble, also known as Verde Alpi
COLOUR	Deep green with white, pale-grey or dark veining depending on the lot
FORMATS	Slabs, tiles, stairs, tops, wall cladding and made-to-measure pieces
FINISHES	Polished, honed, brushed/leathered and other finishes on request
RECOMMENDED APPLICATIONS	Feature wall, bathroom, fireplace, bar, tabletop, furniture, staircase, hospitality and high-end residential projects
EXTERIOR USE	Subject to approval of the lot, finish, climate, installation and intended application
PRICE POSITIONING	Premium decorative stone; price depends on lot, thickness, finish, quantity and fabrication

Indicative technical properties

Bulk density	To be confirmed for the selected lot
Water absorption	~ 0.20%
Compressive strength	~ 1 800 kg/cm ²
Flexural strength	To be confirmed for the selected lot
Freeze-thaw resistance	To be confirmed for the selected lot and application

SPECIFICATION NOTES

Approve the actual lot, finish, thickness, dimensions and vein layout before ordering. Performance ranges are indicative and may vary by quarry, batch and test method. Confirm suitability for exterior, wet-area, kitchen, façade or high-traffic use with the project team.

NON-CONTRACTUAL DOCUMENT - Natural variation is inherent to stone. Values, colour, movement and availability must be confirmed for the selected lot.
